Location

Villa Aria is located near Positano, on the beautiful Amalfi Coast, a territory of incredible graciousness that is appreciated worldwide as one of the most famous luxury destinations for travelers and holiday lovers.

Positano, in medieval times port of the Amalfi Republic, began attracting large numbers of tourists around 1950, after the Second World War and especially because writer John Steinbeck published an essay about the town in Harper's Bazaar: "It is a dream place that isn't quite real when you are there and becomes beckoningly real after you have gone."

Artists seem to love Positano just as common...
