Immersed in 300 square meters of private, flat garden, the villa offers maximum privacy and a convenient closeness to the main services in town.

Shrubs and bushes of the Mediterranean “macchia” will be waiting for you in the external area, together with lemon trees and vineyards – perfect for your relax in the shade! The green lawn, on the other hand, is the perfect area where you can sunbathe in complete quietness, thanks to the several sunbeds and deckchairs available.

You will close your eyes and immediately feel the scent of the sea breeze, since Villa Clara is close to the Mediterranean and its coastline.

What makes this villa especially wonderful is that the view on the sea is virtually available from every corner of the property, and especially from the garden and the upper terrace.

Villa Clara is simply furnished and yet extremely elegant, appealing and familial. Comfortable and quiet, it is perfect for your holidays with family and friends.

The property features two floors. On the ground floor, you will find an entrance hall leading to the dining room, a fully equipped kitchen, laundry room and bathroom. The cotto tiles makes the dining room

especially fascinating, with its wide table for ten guests and two comfortable armchairs placed around the traditional fireplace. An open archway will lead you into the sitting rooms, furnished with two sofas, two armchairs and a flat screen satellite TV.

The ground floor is connected to the elegant portico facing the garden, running along the whole front of the house and completely paved with terracotta tiles. It is a perfect area for dinners in outdoors with your favorite guests.

A wooden staircase connects the entrance hall on the ground floor at the first floor of Villa Clara. It houses the night area of the property, composed by five double bedrooms, three fully-equipped bathrooms, a shower room and a wide, 40-square meter terrace where the view on the blue sea of Ravello is nothing short but wonderful.

Three of our five double bedrooms open directly on the magnificent terrace, making you feel like you can dominate the entire panorama.
