## Description

Villa Larian is an outstanding, modern-looking luxury villa for rent on Lake Como. Located on the western shore of the Lake, in an exclusive location, the building is close to the Romanesque complex of Santa Maria Maddalena in Ospitaletto.

Commissioned in 1938, Villa Larian is the result of the genius of architect Pietro Lingeri, who built it for the Leoni-Malacrida family as a luxurious summer house: a celebration of rationalistic style with a Mediterranean touch, typical of the Italian design between the first and second World War.

Villa Larian has always been considered exclusive and unique in its appearance: so much that, in 1941, it was included in the first edition of the *Encyclopédie de l'architecture nouvelle* as the perfect union between human genius and natural beauty.

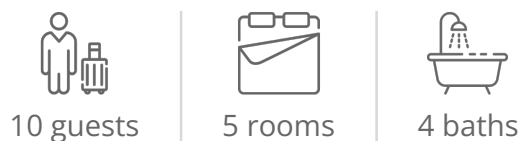

Today, the immense charm of Villa Larian is enhanced by a recent and complete renovation and the villa is classified as a historical monument: its glorious past has finally caught up with present times.

This amazing luxury villa for rent on Lake Como is part of a territorial development plan for the rediscovery of rare examples of rationalist architecture. If you are a design and history lover, Villa Larian will make you fall in love right away.

## Location

Villa Larian is located in Lombardy, in the Lake Como area, also known as Lario after the ancient Latin name of the Lake. For centuries, Lake Como and the small towns surrounding its shores have been a popular retreat for noble families, aristocrats and, more in general, wealthy people. Since the Roman times, the area has been renowned for its many natural gems and, today, is famous for its several artistic and cultural qualities.

The Lario area is especially famous for its many palaces and luxury villas directly facing the Lake. Among them, there are Villa Carlotta, Villa Olmo and Villa Serbelloni. Celebrities love Lake Como and have or have had houses on its shores: Matthew Bellamy, John Kerry, Madonna, George...
