## Description

If you are looking for a luxury villa for rent in the beautiful Sicilian countryside, your choice can only fall back on the magnificent Villa Callista.

Located in the north-western coast of Sicily, the villa consists of two separate blocks:

the night area (three bedrooms and three bathrooms), overlooking a pond, which gives the idea of a zen house;

the day area (large living/dining and kitchen), with well kept furniture and a patio that extends directly to the infinity pool in the garden.

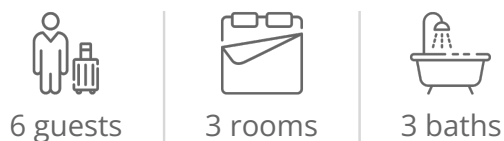

In both areas large windows illuminate the environments, blending the interior with the great outdoors.

The entire villa is surrounded by a delightful garden, which guarantees the privacy; the beautiful outdoor patio and a pond with papyrus and bamboo contribute to the relaxing atmosphere of Villa Callista. In the garden, a gorgeous dependance was purposefully built to ensure an even greater holiday experience.

From the lookout you can admire the panoramic view of the valley that leads down to the sea.
