## Description

Appartamento Ludovica is the perfect location for two couples travelling together in Italy. If you're four people looking for a relaxing and romantic holiday on the Amalfi Coast, you'll be charmed by Appartamento Ludovica.

It's an independent wing on the top floor of the estate including Villa Livio and Appartamento Lea. It has its own totally separate entrance so in no way interferes with the occupants' privacy of the two other houses on the property. Rented together with one or both of her sister villas, it provides elegant and most spacious accommodation for larger parties of people. The access to Appartamento Ludovica is 83 steps from the road level.

Appartamento Ludovica has been immaculately restored and elegantly furnished with antiques, quality pieces, prints, ceramic and paintings. At the same time, it is very well equipped with all modern facilities.

From the terrace with lemon trees overlooking Positano, which is ideal for alfresco dining, the entrance leads to an airy and spacious sitting room with light streaming in from the large picture window, fireplace and dining corner.

Along a corridor there are a double bedroom with ensuite bathroom with tub and a twin bedroom with an adjacent shower room. Both bedrooms have been decorated and furnished in the same elegant style.

All rooms of Appartamento Ludovica lead out to the paved terrace partly covered by a pergola of
