Description

Casa di Silvia is an amazing luxury property for rent on the Amalfi Coast, in Italy. This beautiful holiday accommodation guarantees an ancient feeling and the most modern amenities for luxury lovers. The location is just as fantastic: waking up in the morning, all you will see is the spectacular blue sea and the countryside of lemon groves and vineyards surrounding the house.

The area is wonderful, in typical Italian style, located in a small context with many small hamlets, churches and several secluded areas characterized by an intense inner beauty.

Casa di Silvia is located in a semi-detached building, in a particularly quiet and peaceful location only a few kilometers away from the town of Amalfi - which you'll be able to reach in only 10 minutes.

The property is divided into two different levels and has recently undergone a complete renovation with the sole goal of offering pure elegance and comfort. The result is stylish and harmonic, with natural materials and lightful colors blending delightfully.

Casa di Silvia features a total surface of 80 square meters indoors and an outdoor area of about 30 square meters. The main door opens on a corridor giving access to a spacious open plan living & dining room characterized by beautiful, ancient cross vaults. The dining table is spacious enough for six guests and the room, airy and luminous, is perfect for moments of pure relax.

The fully equipped kitchen, with a window overlooking the sea, is tastefully decorated with blue maiolica tiles. A 10-step staircase leads to the mezzanine level, giving access to the bathroom and the beautiful,

large terrace of the house. You will definitely love the view on the surrounding countryside and the blue sea of the Amalfi coast!

Again, the blue maiolica tiles return to decorate the bathroom while the night area can be reached through a stone stairway located by the living room. It offers three bedrooms sharing a large and comfortable bathroom in the corridor.

The master bedroom, beautifully illuminated and airy, also features a large wardrobe and an air conditioning/heating unit. It also offers a direct access to a terrace with direct view on the sea.

The second bedroom is a twin bedroom with a north-facing window, and features a wardrobe and air conditioning/heating unit. Finally, in the third bedroom you will find a French bed, a wardrobe, a window facing the sea and, as per usual, the air conditioning system.

Casa di Silvia is definitely the luxury property for rent to choose if you're planning to spend your holiday in Italy in a very characteristic accommodation in the countryside while, at the same time, having close access to the beautiful sea of the Amalfi Coast.
