Description

Villa Alesia is a charming three-story beachfront property in an exclusive location: a hill covered with boulders near the tip of the Sorrento Peninsula. The dramatic view the villa offers from almost every angle adds to its already stunning charm.

There's plenty of space to enjoy in this luxury property for rent on the Amalfi Coast: seven bedrooms, three floors connected by a staircase, a large living area and dining room, two outdoor lounges designed for perfect relaxation, and a private swimming pool. Every detail in the villa is carefully studied to ensure guests can enjoy their time immersed in total comfort.

Villa Alesia can accommodate up to fourteen guests in its 352 square meters of total surface. Its rooms are functional and spacious, inundated by natural light shining off the custom-made white ceramics, precious wooden boards and walls, creating settings where you can relax and spend time with your family and friends.

The house's laid-back appearance and classic style do not transcend a total immersion in luxury, as expressed by the presence of carefully selected materials and furnishings and amenities such as the solarium and the panoramic whirlpool on the upper terrace of the property. Recently renovated with meticulous attention (2019), Villa Alesia still preserves its original architecture and charm while integrating latest generation appliances and amenities.

Of course, the exclusive location of this Italian family retreat adds to its stunning aesthetics: not only is the villa just a stone-throw from the sea and the beautiful beaches of Marina del Cantone, but also very
