## Description

Villa Meridiana is a luxury villa for rent in Amalfi, which can accommodate up to 24 people. The property is located on the hill between Amalfi and Atrani, in a unique panoramic position. Villa Meridiana is 350 square meters (2690 square feet) large. It features two wide private terraces with a view of the sea, a private garden, air conditioning, winter heating and WI-FI Internet access.

The property is newly built on the original XIII century monastery of St. Francesco monks. The villa is built on four levels, and you can access from the ground floor or from the top floor. All interiors are decorated with barrel vaults painted with flowers and subtle colors, original wooden beams, hand painted ceramic floors with bright colors and volcanic stones contrasting the immaculate white walls.

On the entrance level, there is the first terrace, about 350 square meters (3770 square feet) large, shaded by an elegant wood roof. On this level, there are also a living room, a dining room, and a kitchen. On the top level, besides a second terrace, which is 100 square meters (1076 square feet) large, there is a double bedroom. Other seven bedrooms are on the first bottom level, while on the second bottom level of Villa Meridiana you will find a garden and the last four bedrooms.

Villa Meridiana is the perfect destination for large groups that are looking for a rental property, which is isolated from the noisy traffic, but at the same time is a short walk to the centre of the town, immersed in lush lemon gardens.

As guests, you will be able to use the pool and the beach of the nearby hotel.
