Villa Phoebe is a beautiful luxury mansion for rent in Capri, in the Amalfi Coast – one of the most beautiful areas of Southern Italy. This three-level house is very close to the town's center (and its famous Piazzetta!), and located in a secluded and particularly stunning area: it's perched upon a high point on the island, providing a picturesque view from nearly every angle.

Originally built in the late nineteenth century, Villa Phoebe recently underwent a thorough restoration that kept its traditional Mediterranean style intact. Its classic and distinctive Caprese architecture is evident in every detail, including several art pieces and typical Italian ceramic tiles, yet beautifully blends with the most modern technology and amenities, such as the luxurious Finnish sauna.

The stunning terracotta terrace is possibly one of the most characteristic spaces of the villa: it features a solarium, an outdoor four-person Jacuzzi and, of course, a private infinity pool that overlooks the sea and allows a scenic view of the majestic Mount Vesuvius.

With its 400 square meters of indoor area, Villa Phoebe has plenty of space for its guests. It can accommodate up to ten people in its five bedrooms, all carefully designed and decorated with several custom-made furniture pieces manufactured by local artisans.

The house's private garden covers 2500 square meters, providing ample space to relax and enjoy happy moments in complete privacy.

This Capri villa is one of the best choices for those willing to spend a vacation fully immersed in the island's locale life while staying in a house featuring a unique panoramic location on the blue water of the Amalfi Coast.

This contemporary retreat, illuminated by natural light yet oozing a warm, welcoming atmosphere, is waiting for you.

Location

Villa Phoebe is located in Capri, a beautiful island in the Tyrrhenian Sea, off the Sorrentine Peninsula and on the south side of the Gulf of Naples. This stunning South Italian area is known for its rugged landscape, crystal clear waters, and spectacular natural views.

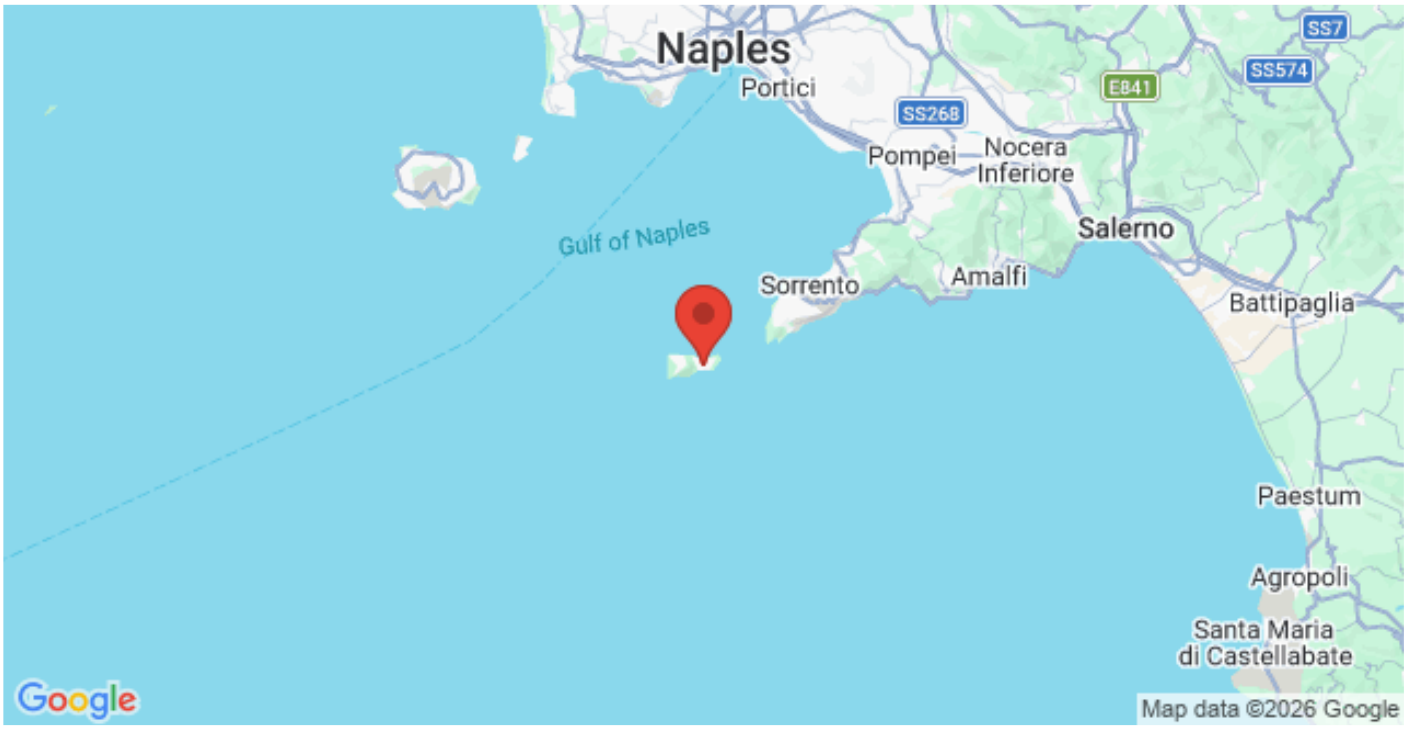

Visitors from all over the world flock to the island to experience its breathtaking views and timeless atmosphere and to see and live the many hidden corners that make Capri so magical. One of them is the so-called “Phoenician Steps”, a staircase that leads up to the town of Anacapri. From there, visitors can see the entire island and the Bay of Naples. Another popular attraction is the Blue Grotto, a natural sea cave that glows in a beau...
