Location

Villa Zoe is an old Saracen tower dating back to the 15th century, which is located along the Amalfi Coast about 4 km from Maiori.

The building is set in a dominating position sheer above the sea originally built to observe and prevent raids by pirates and other invaders who all too often, in ancient times, encroached on this coastal paradise.

It is thanks to these geographical characteristics that the marvellous features of the Amalfi Coast have survived intact. And this property is a superb example.

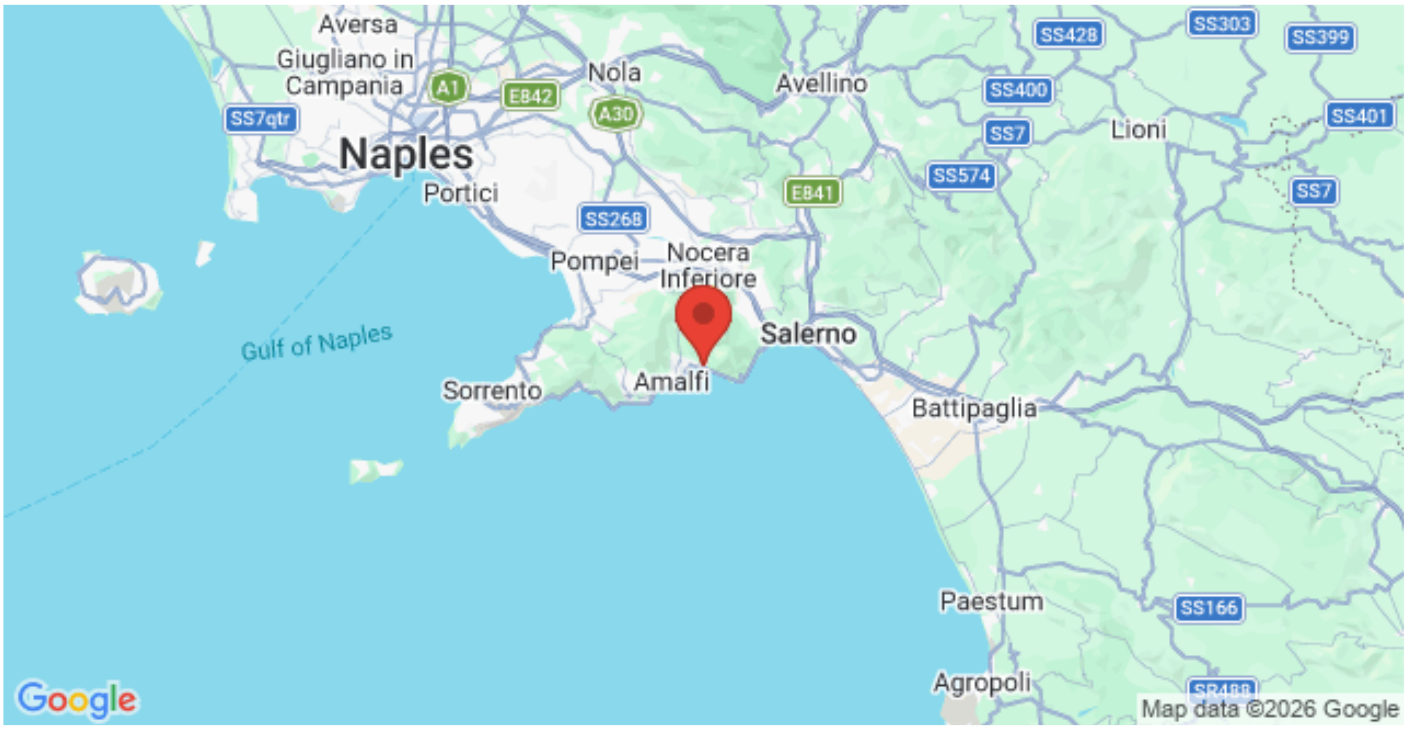

The Amalfi Coast is a suggestive location and...
