Villa Iridia is a luxurious property for rent on Lake Como, in close proximity to Hollywood actor George Clooney property.

This amazing luxury villa was initially built in 1840 and is composed of two different buildings: a main villa and the so called "Casa Bianca" (White House) which was destined to the local fishermen during the Eighteenth century.

The two buildings are fully connected and they can be kept separated or joined in accordance to the guests' needs. In any event, all the common areas and bedrooms share the air conditioning system and the audio-diffusion system.

The main building of Villa Iridia offers three floors: on the ground floor, you will be welcome by a beautiful entrance hall and a scenic corridor with a direct view both on the garden and the magnificent Lake Como. On the same floor, there is also a convenient service bathroom and a living room equipped with a traditional fireplace and ample windows facing the blue waters of the lake.

This sublime villa features a fully-equipped kitchen with a modern appeal and a dining area that can be reached through a beautiful 1920 glass and brass door. In the small extension in the kitchen you will find a convenient utility room that will come in hand while you'll be cooking your Italian recipes.

The ground floor of Villa Iridia also offers an exclusive fumoir with direct view on the lake and hand-painted upholstery, and a breathtaking winter garden, again with huge French windows directly connected to the garden and facing the Lake.

On the first floor of Villa Iridia you will find a scenic hallway and corridor leading to a balcony facing Lake Como, a double bedroom overlooking the lake and featuring its own private bathroom, a master bedroom (again, overlooking the lake) with huge private bathroom, a self-standing Agape bath tub and a large shower box. The master bedroom also features its own private balcony.

Finally, the second floor of Villa Iridia offers a French bedroom with private bathroom, a master bedroom with en-suite bathroom and direct view on the lake, and a three-beds bedroom with private bathroom and overlooking Lake Como.

The Casa Bianca, which during the Eighteenth century was used as a fisherman's house, offers an entrance and service bathroom on the ground floor, a kitchen facing a roof garden and a living room on the first floor and finally, on the second floor, a master bedroom facing the lake, with en-suite bathroom equipped with self-standing Agape bathtub. The second and last floor also features a two-beds bedroom with private bathrooms.

Villa Iridia includes a magnificent garden and a garage for two cars.

Villa Iridia is located in Laglio, on Lake Como, in the Italian region of Lombardy. The town has, during the last fifteen years, become world-wide famous because Hollywood actor George Clooney purchased there Villa Oleandra, a luxurious villa which once was owned by the Heinz family, as a hideaway in which to spend substantial parts of the year.

Laglio is located on the western shore of the south-western branch of Lake Como, 9 miles away from the city of Como. It is a very small town, perfect for those looking to spend their holidays in Italy in total privacy, absolute comfort and complete tranquillity.
