Description

Villa Manuela is a wonderful rental property located on Como Lake, close to a town that houses also the actor George Clooney. Transformed in the '30s and revisited with conservative interventions in the '80s, Villa Manuela joins the old antique original style with the modern furniture of designers and Italian artists. The property spreads over 400 sqm with a garden of 1000 square meters totally to the lake and has 8 beds, plus two others that may be derived thanks to a sofa bed. This holiday villa for rent on Como Lake has four bedrooms, three with two separate beds and one double, all with a wonderful view of the lake. The kitchen of Villa Manuela is very spacious, equipped with every comfort, with a large table for eight people. The property includes two living rooms, one with a large fireplace in the '800 and one with hardwood floors and stained glass windows to the garden lake. The large garden to the lake, which is reached by a staircase lined with flowers and fountains, is dotted with centuries-old trees that frame the house. There's a new heated pool. It is equipped to enjoy the sun and have a romantic outdoor dining. The entrance from the main gate also leads to a parking lot with four or five spots.
