Recently renovated, Villa Serena is a sumptuous 800-square-meter villa located in Lenno, on the western shore of Lake Como. This contemporary jewel created by designer Claudia Kempen of CKC has a truly enviable location.

From its specially designed spaces, you will be able to enjoy the splendid view of the lake; from its infinity pool, you will feel as if you are swimming right into the waters of the lake in a game of truly unique and magical perspectives. Brightness is the key to Villa Serena, whose structure is conceived on several levels and with a terrace that dominates the panorama as far as the tip of Bellagio.

The interior is redesigned with an avant-garde concept, perfectly harmonious with its background and perfectly complementing the magnificence of the exterior. From each of the six bathrooms and six rooms, you will be flooded with light thanks to the large windows, as well as a continuous view of the Lake. Luxury and modern furnishings with all the comforts that a house of this level can offer: wi-fi, satellite TV, air conditioning and a modern fireplace in the living room.
