Location

Villa Sunset is located in Bellagio, at the northern end of the Larian Triangle, at the exact point where Lake Como diverges into two branches.

The village of Bellagio, thanks to its relatively mild climate, can be visited in every season and is visited by millions of tourists every year. What is fascinating about Bellagio is certainly the vertical structure of the town, accentuated by the presence of stone-made stairs.

The centre of Bellagio overlooks Lake Como. It is known for its historic and elegant shops, for the arcades under which there are large bars where you can enjoy excellent coffee and aperitifs.
