Location

Cernobbio is a charming town in Lombardy, near Lake Como, and not far from the city of Como. Its privileged position, close to one of the most fascinating lakes in Europe, made Cernobbio a very popular and internationally recognized tourist destination - also thanks to its fine buildings, such as Villa Erba and Villa d'Este.

Cernobbio has a hillside setting which makes the town particularly pleasant from a climatic point of view, as well as fascinating in terms of landscapes: beside the aforementioned Lake Como, Cernobbio is close to Monte Bisbino and crossed by four streams: the Cosio, the Cosera, the Colletta and the Garrovo.
