## Description

Located less than twenty minutes from the magnificent beaches of Sardinia's most prized coastal areas, Costa Smeralda, Porto Cervo and Porto Rotondo, Villa Paradiso is central yet secluded to one of the most exclusive of areas in all of Sardinia. It can accommodate up to 20 guests.

With respect to its own local environment and that of the greater world's, this property takes a "green" approach to contemporary luxury. All structures on this luxury property are constructed of stones from the original estate. The exterior of this villa for rent displays various facades, one of whitewash and another of Sardinian granite. Both facades have been finished with the finest materials and to the highest of standards.

After being an international banker for over twenty five years in major financial centers around the world, the owner of Villa Paradiso has realized his long time dream of turning his passions for the countryside, the sea, and the arts into his main activities. The result is this large property, with tennis, horses stables and an immense amount of peace and nature all around, perfect for a big group of friends or a multi-family party.

A communal area in the garden makes for an ideal outdoor space for alfresco dining, while the living spaces guarantee privacy and plenty of room all to stay. A tennis court, an artificial pond, a swimming pool, and equestrian facilities complete this contemporary and naturally private estate.
