Villa Cedro is a small rental property that can accommodate up to four people, set in the Sicilian countryside. It is located just 15 minutes from the magnificent beach of Selinunte and about half an hour from the beaches of Menfi.

This luxury property is composed of two separate blocks: the sleeping area, with two bedrooms and two bathrooms, overlooking a small pond with papyrus and bamboo, that gives the idea of being in a zen house; the living area, with a large living room and a fully equipped kitchen, which has very carefully chosen furniture and a patio that extends directly onto the infinity pool. In both areas, large windows illuminate the environments, blending the interior with the beautiful natural surroundings.

Villa Cedro is surrounded by a delightful garden, which helps to make it an independent property and respects the privacy of its guests. From the lookout you can admire the view of the entire valley that leads down to the sea.
