Location

Villa Ericea is located in the Erice area in Sicily. Erice is a historic town and commune in the province of Trapani, and is located on the top of Mount Erice, overlooking the city of Trapani, the low western coast towards Marsala, the dramatic Punta del Saraceno and Capo San Vito, and the Aegadian Islands.

Erice, whose ancient Greek name was Eryx, was not a Greek colony and was instead founded by the Phoenicians, and only subsequently ended up being “Hellenized”.

Amongst the several main sights of the area, it is definitely worth remembering the remains of ancient Elymian and Phoenician walls indicating...
