The villa expands on one floor, where you can access through a living room elegantly decorated and cured. The kitchen inserts in this room and is characterised by beautiful coloured ceramics and elements in stone and wood.

In the sleeping quarters there are two master bedrooms and a single room. The bathroom is finely decorated and includes a shower. In addition to the main villa there is also a dependance with master bedroom, where you can add an extra bed, and a bathroom with shower.

The property includes two wide porches, furnished with seats and garden-sofas, to give guests the possibility to relax even outside the house. In one porch there is, also, the BBQ area. The garden surrounding the house overlooks a swimming pool with solarium. All these elements make Villa Mosaico an exclusive place where you can spend you dreamy holiday, surrounded by the peace of the countryside around the villa.
