

Villa Panorama

Buseto Palazzolo, Sicily, Italy

7 guests | 4 rooms | 2 baths

Description

Villa Panorama is a typical Sicilian house, located in the territory of Buseto Palizzolo. The name of this luxury villa comes from its exclusive position: the home is, indeed, inserted in a panoramic context with view over the city of Trapani, the Egadi islands, the villages of Erice and Valderice.

The house expands on two levels, that guests can access from a wide living room with elegant furniture and made with traditional Sicilian materials. In this room there also is a conversation area, enriched by a typical fireplace. From the living room there is the entry to the kitchen, equipped and functioning, with elements reflecting even in this corner the tradition of this place.

The sleeping area is composed of two master bedrooms and a bathroom with shower. Across a spiral staircase there is the access to the first floor, where there are two more bedrooms (a twin and a single) and a bathroom with shower. All the rooms are characterised by warm colours and simple furniture, like in the Sicilian tradition.

The villa is surrounded by a well-finished garden, grabbing the swimming pool with solarium area and the two verandas equipped with table and chairs. In this context, surrounded by the nature of this place, it is possible to relax and plan lunches or dinners outdoor.
