Description

La Contrada is a magical journey into the past and, at the same time, a true immersion in contemporary luxury. This stunning 3000 square meter estate in the heart of the Val d'Orcia has been handed down from generation to generation of wealthy Tuscan families: the estate includes twenty-two bedrooms arranged around the central square and operates as a miniature community. It features thick stone walls, terracotta floors, exposed wooden beams, and fireplaces, adding further charm to an already timeless enchantment.

The Contrada offers various meeting spaces for the most diverse occasions, including an elegant dining room, a multimedia room, a library, a bar, a conference facility, a terrace with a barbecue area and a wood-burning oven, and a grand ballroom accommodating up to seventy guests. The estate also has a wine cellar and a tasting room, a professional teaching kitchen, an interior arcaded courtyard, and extensive lawn and garden spaces with various shaded benches and a gazebo, making it the perfect place to gather and relax with family and friends.

In addition to its outstanding internal facilities, La Contrada also includes an eighteen-meter oval heated swimming pool, a fully equipped gymnasium, a sauna, a spa, a tennis court, a basketball court and a boules court. The estate can accommodate up to forty-four adults and four children (0-2 years).

By choosing this place for your Tuscan holiday, you will also have many outdoor activities at your disposal, such as hiking, horse riding and cycling. The concierge can help you with the various reservations, while the property staff will create a personalized dining experience.

The Contrada is located just a few minutes from several well-known locations that make the Chianti region and the Val d'Orcia area so famous all over the world. The approach to the design of the place results from careful research of the historical context and translates into a classic style characterized by a warm and rustic atmosphere. You will immerse yourself in an authentic nineteenth-century country village, fully restored and enriched with contemporary details that blend well with typical Italian materials such as marble, wood, locally sourced stone and fine handcrafted fabrics.

Contemporary in appeal and highly comfortable, La Contrada is an elegant and light-filled retreat that blends classic Tuscan architecture with modern architecture, giving you the ultimate luxury experience in the region's heart: book your stay.
