Description

Villa Agapanthus is a wonderful villa with pool for rent in Tuscany, strategically located close to Porto Ercole. The building, which extends on two floors, is surrounded by a well tended garden of about 1 hectare, that's been designed by a landscape gardener with all sorts of Mediterranean plants. The swimming pool is 14x4 meters large and has a breathtaking view of the coast and the sea.

The interior of the house is extremely bright and comfortable, thanks to its modern furniture and minimal design. The villa has been entirely refurbished and disposes of all modern comforts such as air conditioning throughout, satellite TV (Sky), dvd player and Hi-Fi.

The main floor is composed by a large living area with fire-place and a dining area, both with French windows facing the garden, a fully equipped kitchen, four twin bedrooms and one double bedroom, each with private shower room, and a sitting room with French windows facing the garden from the side of the pool.

On a lower floor of Villa Agapanthus, with independent access from the side of the house, there is an annexe composed by a sitting room with sofa-bed, a shower room and a twin bedroom.

Thanks to its number of bedrooms, Villa Agapanthus is the right choice for rental for large families and big groups.
