Description

Villa Marina has an airy, artistic accent, like not many properties to be found in Versilia. This luxury villa for rent is actually forty years old, and it has been tastefully renovated quite recently. Its eclectic atmosphere is set with antiques, books and paintings, the interior is decorated in colourful and comfortable style.

This villa can accommodate up to 11 guests, since it features five bedrooms, of which three are of a superior quality, with beamed ceilings and floors in both parquet and ceramics. Their windows open to a pool house, which is completely independent from the main villa and perfect for large dining groups and happy times. These gardens have been landscaped with close care and include several local herbs, plants, and flowers.

Located in a remote, private setting, the entire property, both inside and out, provides absolute tranquillity. Although it feels private, the property is still within short reach of the attractive Forte dei Marmi and Marina di Pietrasanta. The legendary Tyrrhenian Sea upon which Versilia sits, is but a ten minute walk from Villa Marina or three minutes by bike. A haven for nature and sea lovers, this property for rent makes for a truly delightful holiday escape for families and groups of friends.

Location

Villa Marina is set in Marina di Pietrasanta, limit to Forte dei Marmi, in the heart of Versilia. This area remains among the most popular of Tuscan seaside destinations on the Tyrrhenian. Marina di Pietrasanta is few minutes from Viareggio and Forte dei Marmi: tall shady pine trees are a feature of Marina which itself is divided into 4 districts: Fiumetto, Tonfano, Motrone and Focette, all of which are very popular offering the visitors everything from michelin star restaurants, cafes, night-life clubs and sports facilities. Unlike many popular Tuscan towns, Pietrasanta isn't a hill town and its historic center is a pleasant place for strolling.
