Description

Villa Tessa is the perfect destination if you are looking for an experience of incomparable luxury and comfort for your Italian holiday. Located in the region's heart, a few kilometers from Montalcino, this magnificent and imposing manor house is a true masterpiece of Tuscan architecture, designed to offer a unique synergy between traditional style and modern comfort.

Originally the residence of a local bishop, this typically Italian estate includes eight bedrooms, eight bathrooms and two half-bathrooms: its ample spaces can comfortably welcome up to sixteen guests. The villa boasts thick stone walls, traditional terracotta floors and exposed wooden vaulted ceilings: all typical elements of Tuscan architecture, but complemented by contemporary details such as air conditioning and Wi-Fi connection.

Surrounded by five hectares of vineyards and manicured gardens, the property is the ideal place to unwind and relax while enjoying the stunning views of the Tuscan hills. The estate's infinity-edge pool offers a refreshing dip on hot summer days, while the e-charging station and vegetable garden add to the eco-friendly ethos of the property, providing guests with a greener and more sustainable – let alone yummier! - approach to their vacation.

As for the interior design, Villa Tessa is furnished with the utmost taste, with carefully restored antique furniture and custom-made pieces skillfully crafted by expert Tuscan craftsmen. The bedrooms boast a mix of refurbished terracotta floors and quality parquet, while the ceilings display some of the best examples of vaulted ceilings and exposed beams, especially on the ground floor. The plastered walls are enriched by traditional decorations and custom-made furniture, illuminating the rooms with a

At Villa Tessa, guests can experience the best of Tuscan luxury, where wine, fine Italian cuisine and the beauty of the region's landscape come together to create an unforgettable vacation experience.
