Visiting Puglia: a wonder for body and soul

In addition to gastronomy, shopping, and the surrounding nature, visitors to this wonderful territory are enchanted by the cultural richness of the area: museums, architecture, and art make Puglia a special land, pervaded by a vibrant energy that comes from the history of a region rewarded by nature.

Several restaurants and trattorias in the vicinity of Palazzo Guiscardi serve local and organic cuisine. We recommend the traditional Taverna del Porto and, for those who prefer a younger atmosphere, Bros, a Michelin-starred restaurant.
