Description

Surrounded by over six thousand hectares of ancient olive trees, this intimate villa is located in the heart of the Apulian countryside between the picturesque villages of Fasano and Savelletri.

Villa Cervaro takes its name from the variety of colours that characterise it: the intense green of the olive trees that gradually fade into the blue of the sea as far as the eye can see. Characterized by a welcoming atmosphere that makes it the perfect setting for exclusive events, this large villa is the classic fairytale location for those seeking the perfect mix of romance and luxury.

Villa Cervaro thrives on the contrast between old and new. The entire estate has been recently renovated, but retains its period charm.

The decadent style is part of the atmosphere of the house, which exudes the charm of an artwork, inspiring a genuine reverence for all that is aesthetically beautiful, well-groomed and luxurious.

The jewel in Villa Cervaro's crown is the splendid panoramic terrace overlooking the sea, allowing a full view of the surrounding landscape.

The interior of the villa is characterised by restful white walls, luxurious fabrics and a variety of bespoke furniture made by local Italian craftsmen. The design is modern and welcoming with intense light pervading every room.

The first floor comprises a spacious living room, a dining room with garden views and a fully equipped kitchen. On the second floor there are five sumptuously appointed suites that can accommodate up to 10 people plus an extra guest thanks to a practical sofa bed. At the back of the villa is the beautiful “L” shaped heated swimming pool, a solarium with sun loungers for all guests, a piano bar and several outdoor areas dedicated to relax.

The private land surrounding the estate extends 80 thousand square metres to the coastal horizon. The outdoor area includes a large car park and a rich botanical garden.

Villa Cervaro perfectly combines the extremes of old and new by joining the decadent charm of the past with the exclusive comfort of modernity.
