Description

This superb 19th-century neoclassical palace provides its guests with a dream experience with the large inner courtyard and swimming pool set in the lovely frame of an orange grove. Place: the magic Puglia!

Villa Palazzo's property extends over 500 square metres and includes green lawns and an extensive orange grove. The entire property was completely renovated in 2019, renewing the ancient setting with a more contemporary design that follows the minimal-luxury philosophy.

The historical majesty of the building has been preserved, as well as the precious frescoes, vaulted ceilings and renowned mosaic floors; however, the palace has been completely modernised in a contemporary style under the influence of local culture. Stones, precious marble and wood make up the founding architecture of Villa Palazzo, blending artistic minimalism with the charm of centuries-old splendour.

The exclusive location, just five minutes from the sea coast, is another undeniable advantage of this renowned residence, awarded one of the ten best in Europe, offering a holiday of total relax and comfort.

Villa Palazzo can accommodate up to 18 guests in its spacious nine richly appointed bedrooms.

The minimalist interior design provides the perfect backdrop to enhance the palace's art collection.

On the ground floor of the building is an atmospheric private Spa, including a sumptuous hamman bath

and a Finnish sauna.

The real diamond of the villa, however, is the large outdoor courtyard overlooking the orange grove: here guests can experience moments of pure relaxation by taking a dip in the immense saltwater pool, which retains the benefits of seawater, or enjoy an al fresco buffet dinner at the stone tables that make the open-air area perfect for gathering and sipping a drink, or enjoy an brunch by the pool.

At the end of the corridor of Villa Palazzo there is the characteristic orange garden that offers immense green lawns and the hospitality of an old café. The perfect resting place to enjoy the amenities of the Apulian countryside and find refuge in the shade of the trees, far from the roaring rays of summer's sun.
