Description

Nelke Haus is a beautiful property renovated in late 2014, and ready to welcome couples willing to spend a romantic vacation in Switzerland.

The accommodation is set only 1500 meters away from the ski lift, and that makes it a great solution for sport lovers, easily seduced by the Swiss ski trails.

Nelke Haus is a triumphal fusion of natural colors and natural materials, all savvy mixed with a quite modern design, furniture and architecture. Past, present and future melt in this amazing apartment, and time stands still, dazed by the beauty of the details and of the amazing natural surroundings.

The living space is 35 square meters, perfect to stay close, warm and cozy during your vacation. The entrance of Nelke Haus welcomes the guests and then opens up on a kitchenette with microwave and dishwasher. The tiny living room has a dedicated dining area and a wooden double bed, in Swiss style. The accommodation only includes one bathroom, with a rain shower, wash basin, bidet and toilet.

Although tiny, Nelke Haus is equipped with many amenities, including an iPod/iPhone station, TV, garage space, use of the indoor swimming pool, shuttle, coffee capsules machine, DVD player and wellness area.

Location

Nelke Haus is located in Engandin, a long valley in the Swiss Alps in the Canton of Graubünden, southeast Switzerland. The area is especially loved for its sunny climate, high mountains, beautiful landscapes and several outdoor activities. The Engadin valley lies at the centre of the Alpine range and constitutes the upper part of the 300 km-long Inn valley, and is divided in two parts: the Upper Engandin, from Maloja to Zernez - a remarkably straight and wide valley - and the Lower Engandin, from Zernez to the Austrian border, with a more tortuous landscape.
